Economic and Fiscal Impacts

OF PROPOSED CLEMENS CENTER RENOVATIONS

associates

Project Description: The goal of the Clemens Center's Gray Street renovation project is to provide much-needed amenities to support the many events of the performing arts center and give new life to a portion of the venue that has been significantly underutilized for decades. Once completed, the return on investment to Elmira and Chemung County will be fully appreciated.

Renovation construction would generate an estimated one-time benefit of

Onsite employment and new visitor spending associated with the renovation would generate an estimated:

Q Elmira 45	Ĥ	jobs Q Che	mung County 46	Ĥ	jobs
\$2.3 M		in associated annual earnings	\$2.3 M		in associated annual earnings
44,280		net new patrons	32,595		net new patrons
\$7.3 M		in annual sales	\$7.2 M		in annual sales spent
			\$43,060		in annual sales tax revenue
